MEDICINAL.

The man on the stage who does the trick of escaping from firmly tied ropes, submits to the bonds with a smile. He knows he can get out of the ropes that are being knotted. Put the same man in the woods and let Indian captors bind him to a tree for torture and he would struggle to the last against the bonds.

When the stomach is diseased there are bonds being woven every hour about the organs dependent on the stomach—heart, lungs, liver, kidneys, etc. The folly of mankind is to passively submit to the fastening of these bonds with no effort to escape until the pain they cause arouses fear.

Dr. Pierce's Golden Medical Discovery cures diseases of the stomach and other organs of digestion and nutrition. It cures diseases of heart, liver, lungs, kidneys and other organs, when these diseases, as is often the case, have their origin in the diseased stomach.

For a long time I was suffering and was hardly able to get about," writes Mr. Andrew J. Jennings, of Thomas, Tucker Co., W. Va., Box 204. "I was bothered with kidney trouble and my whole system was out of order; had no appetite. A friend of mine told me to try Dr. Pierce's Golden Medical Discovery. I did so and the first bottle restored my appetite. I took six bottles of 'Golden Medical Discovery,' and some of the 'Pleasant Pellets' and feel like a new person."

Dr. Pierce's Pleasant Pellets cleanse the clogged system from impurities.

ELLY'S CREAM BALM

In all its stages this should be cleansed.

ELLY'S CREAM BALM cleanses, soothes and heals the diseased membrane and drives away a cold in the head quickly.

COLD IN HEAD Cream Balm is placed into the nostrils, spreads over the membrane and is absorbed. Relief is immediate and a cure follows. It is not drying, does not produce sneezing. Large size, 50 cents at druggists or by mail; trial size, 10 cents by mail. ELY BROTHERS, 56 Warren Street, New York.

KODOL

Digests What You Eat.

Weak Hearts

Are due to indigestion. Ninety-nine of every one hundred people who have heart trouble can remember when it was simple indigestion. It is a scientific fact that all cases of heart disease, not organic, are not only traceable to, but are the direct result of indigestion. All food taken into the stomach which fails of perfect digestion ferments and swells the stomach, puffing it up against the heart. This interferes with the action of the heart, and in the course of time that delicate but vital organ becomes diseased.

Kodol

Digests What You Eat

Mrs. Loring Nichols of Penn Yan, N. Y., writes: "After eating, my food would distress me by making my heart palpitate and I would become very weak. Finally I got a bottle of Kodol and it gave me immediate relief. After taking a few bottles I am cured."

Kodol cures indigestion, dyspepsia and all stomach disorders, and gives the heart a full, free and untrammelled action.

Bottles only, \$1.00. Size holding 2 1/2 times the trial size, which sells for 50c.

THE INVITATION,

OR THE PRESIDENT AND THE SOUTHERN ASSEMBLY.

To the Editor of the Alexandria Gazette:
I read your editorial on the invitation extended to the President to attend the General Assembly to meet at this place in May, and fully endorse your words and sentiments, and thank you for them. I became so very indignant, when I heard of the courtesy extended, that I prepared the enclosed lines. If you think proper, you may publish them in the Gazette.

Truly yours, R. M. TUTTLE.

Your honor, Mister President,
Invited is, we hear,
To Lexington in balmy May,
Where Presbyters in full array
Meet jointly to confer
About the doings of a year
Of their loved Zion, far and near.

On Missions, an address—
Home Missions in the Dixie-land,
To you as chattels contraband,
Whose whites to vile duress
You could consign, and then to scourge
Into an ebon sea could merge.

Now, Teddy, we would simply say,
Your invitation here
Was but a piece of flattery
By self-appointed coteries—
A piece of fawning mere
On one high up in name and place,
Who, otherwise, might be in disgrace.

But, be it said, in very truth,
Whatever has been done,
Your presence here is not desired,
Nor are you here at all admired.
By one true Southern son,
And few in heart would shake your hand
Down in our soul-warm Sunny Land.

We had, awhile, a cherished hope
(A bubble blown to break),
That, since the mother came to earth
And grew up South, who gave you birth,
You would for her dear sake
Rule over us in righteous way,
And equal justice would display.

Vain was it to expect, we know,
Of equity a share
From one so ruled by party pride,
By pique, and prejudice, green-eyed,
As not to think or care,
And whose ambition makes him cover
Before the chiefs of party power!

Your proud petitioners were wrong,
And were without a right
To ask in our Assembly's name
That you would come, and to the same
Talk Missions, day or night;
No, no; it was officiousness
That bade you come for an address.

Now, we are loyal in the South,
And try to keep the laws,
But do not wish your presence here
In this or any other year—
For yet our "Buried Cause"
To us than life is dearer still,
And time our love but deepen will.

So ends this act and episode,
Which puts us right again
In presence of a gazing world,
Before whom once our "Cross"
Unfurled
On mountains, hill, and plain,
And proved how patriots will fight,
And nobly die, when in the right.

R. M. TUTTLE,
Lexington, Va., Jan. 22, 1903.

MURDER ON HIGH SEAS.

The British steamer Brunswick, from Maranhao, Brazil, arrived at Liverpool yesterday and landed five survivors of the British bark Veronica, Capt. Shaw, from Ship Island, Miss., October 6, for Montevideo, who were picked up at sea by the Brunswick. The men reported that the Veronica was burned at sea December 20, but the police have detained four of them on suspicion of having murdered and murdered Capt. Shaw and seven of the crew of the Veronica, after which they are alleged to have set fire to the ship. The cook of the Veronica, a colored man, who was among those who were rescued by the Brunswick, made a statement to Capt. Brown, which caused him to be cabled to Scotland Yard. When questioned the four seamen said the Veronica was abandoned because she was on fire. They added that the chief officer and a seaman died on board of her; that Capt. Shaw and some of the crew left in one boat, and that they (the men brought by the Brunswick) left the bark in another boat and succeeded in reaching Cajueta Island, December 25, in a starving condition, after drifting for five days, during which they subsisted on eleven biscuits and a small barrel of water. Three days later the men were picked up by the Brunswick. The cook, however, asserts that the men, led by the boatswain, a German, murdered and murdered the captain, chief officer, and others, and threatened to kill him if he betrayed them. After an investigation the four seamen of the Veronica were formally charged with murdering seven of their shipmates.

ELY'S Liquid Cream Balm is an old friend in a new form. It is prepared for the particular benefit of sufferers from nasal catarrh who are used to an atomizer in spraying the diseased membranes. All the healing and soothing properties of Cream Balm are retained in the new preparation. It does not dry up the secretions. Price, including spraying tube, 75 cents. At your druggists or Ely Brothers, 56 Warren street, New York, will mail it.

Mrs. Laura S. Webb,

Vice-President of Women's Democratic Clubs of Northern Ohio.

HERE ARE MANY sickly women between the ages of 45 and 55, but there are very few invalids over 55 and 60 years of age. The change of life coming to a woman near her forty-fourth year, either makes her an invalid or gives her a new lease on life. Those who meet this change in ill health seldom live ten years afterward, while a woman who lays aside the active duties of womanhood in health seldom fails to live on in happiness, years after she has passed 60. This is truly a critical time.

Mrs. Laura S. Webb, of Toledo, Ohio, recognizes the change of life as a dangerous period and she also has faith in Wine of Cardui. She writes:

"As I had always been troubled more or less at the menstrual period, I decided

the change of life which was fast approaching. While visiting with a friend I noticed that she was taking your Wine of Cardui, and she was so enthusiastic about it that I decided to try a bottle. I experienced more relief the first month, so I kept on taking it for three months and now I menstruate with no pain and I shall take it off and on now until I have passed the climax. I do not dread it now, as I am sure that your Wine of Cardui will be of great benefit at this time."

Wine of Cardui is the remedy to re-inforce a woman against the shock that comes with the change of life. It re-establishes healthy functions after years of suffering. In doing this it has saved thousands of sufferers just in time. Do not wait until suffering is upon you. Thorough preparations should be made in advance. Begin the Wine of Cardui treatment today.

A million suffering women have found relief in Wine of Cardui.
